

SCRIP PROGRAM

What is SCRIP?

SCRIP is a gift certificate or gift card purchased at face value and used the same as cash. Participating businesses donate some of their profits, half of which helps fund our schools, while the other half becomes tuition credit for the family who purchased the SCRIP. SCRIP is an important source of fundraising income for the All Saints Catholic Schools.

How does it work?

Here's an example of how SCRIP works: ordering a \$25 card for each of four restaurants, such as Outback Steakhouse, Old City Hall, Uno's Chicago Grill, and Latitude 43 Grill & Bar costs \$100 total and purchases \$100 worth of food. Because the SCRIP was sold to the schools at discounted prices, averaging 10%, the schools earn \$10. The participating family receives 50% of this (a \$5 tuition credit) and the remaining \$5 stays within the schools' fund. Merchants offer discounts from 1.25% to 16%.

Where can I use SCRIP?

There are hundreds of different merchants participating so you can use SCRIP to purchase clothing, fast food, gasoline, groceries, restaurant food, car washes, hotel accommodations, and more. You can also use SCRIP to pay your Kohl's charge card bill. You may view a list of participating local retailers on our [order form](#). There are additional participating retailers listed on the [RaiseRight](#) website.

Do SCRIP sales really make a difference?

At last count, of families who faithfully used SCRIP, 73% earned from \$150 to \$300 in annual savings. Some have saved up to \$1,000 in a year.

"Using SCRIP regularly can help lower tuition costs for families. I used to pay for 1 to 1.5 months of tuition with SCRIP every year." - Michelle Judd, ASC alumna and mother of three ASC alumni
