A MESSAGE FROM THE PRESIDENT OF ALL SAINTS CATHOLIC SCHOOLS

Last month our teaching staff joined the rest of the Diocese of Saginaw teachers at the Chancery for a professional development day on the integration of the Catholic faith into classroom instruction. A highlight of the day was a presentation by our spiritual leader, Bishop Gruss, about our opportunity to be a school On Mission. Additionally, strategies for the integration of the faith into other academic areas were modeled. Finally, teachers met within grade-band groups to discuss best practices across the diocese. I thank our teachers for their continued commitment to growth.

Elementary School

Hello ASC Families,

We completed our annual Turkey Food Drive on November 14. Our elementary school community collected over 2,000 canned food items! All donations were given to the All Saints Food Pantry to support those in need.

We are proud of the dedication our students demonstrated in living out our Catholic mission of service to others. Their generosity makes a real difference in our community!

Sincerely,

Mrs. Rhodus
