All Saints Catholic nurtures academic and personal excellence in all students while emphasizing Catholic values and service to others in Christ's name.

Dear Parents and Guardians,

The stability of our school and the quality of its programs are of the utmost importance, and we are always seeking ways to make improvements to benefit everyone. After much research by the diocese, we have partnered with FACTS Management Company to help us manage our tuition payment program. FACTS is used by many schools locally and over 10,000 schools nationally. We are excited to be working with them and are confident this program will offer greater efficiency and financial stability for the school while providing convenience to families.

One of our primary goals this year at All Saints Catholic Schools is to concentrate our efforts on improving the *business side* of our school. By taking advantage of the security and convenience of payment processing and financial aid review offered by FACTS, we remain committed to this goal.

You will realize these benefits by using FACTS for your tuition payment plan:

1. **Payment Dates:** You may choose either the 1st or 15th of each month as your payment date. Automatic payments can be made from a checking or savings account or from a variety of credit cards.
2. **Convenience & Security:** Along with multiple payment plan options, your payments are processed securely through a bank-to-bank transaction.
3. **Consumer Account:** You may check your personal account or make payments online from convenience of your home or office anytime.

One of the universal challenges in education is achieving a balance between our educational mission and financial stability. It is precisely for this reason we are enlisting the help of the FACTS Management Company. With FACTS, the school maintains decision-making control. As always, we will continue to work with families should special circumstances or hardship cases arise during the school year.

Thank you for your continued loyalty and support for All Saints Catholic School. We depend on your support in our efforts to provide the highest quality of education for your children. Your continued support and cooperation is appreciated, as we remain committed to our mission.

Sincerely,

Michael Beaudoin  
Chief Financial Officer Diocese of Saginaw
