# Coach Lockwood Visits ASC

We were honored to welcome back Dean Lockwood, an All Saints alumni and Director of Player Development for the Michigan State Women's Basketball team. Coach Lockwood shared an inspiring message with our students about faith, character, discipline, and perseverance. Coach Lockwood reminded our students that while “glory fades, being a good person doesn’t.” He spoke about resilience through life’s challenges, the importance of discipline over regret, and how attitude and effort are two things we can always control. His message encouraged students to work hard, prepare well, never fear failure, and always strive to leave a place better than they found it. [Read more...](#)

Please go to [ascbaycity.org/employment](https://ascbaycity.org/employment) for position descriptions and instructions on how to apply.

# Celebrating Faith

We are so proud of All Saints student Kaylin Felske for sharing her incredible musical talents at the Knights of Columbus Council 414's May Crowning prayer service! Kaylin served as the music minister for the evening, confidently leading more than 75 adults in worship through her beautiful piano playing and singing. She also showcased her talent on the bassoon while Bob Kuhne sang. Kaylin's faith, confidence, and dedication to using her God-given gifts were truly inspiring to all in attendance. What an amazing example of servant leadership and worship through music!

Our 7th and 8th grade students went this past week to Washington, D.C. to experience history, culture, and faith firsthand. From walking through historic monuments and museums to exploring our nation's capital and visiting places of religious significance, students were able to bring their learning to life in meaningful ways.

Hands-on experiences like this help students connect what they learn in the classroom to the real world – creating memories, deepening understanding, and inspiring future leaders.

We are so proud of our students for representing All Saints with curiosity, respect, and enthusiasm throughout the trip! Thank you to our teachers, chaperones, and families who helped make this unforgettable experience possible.
