July 29th, 2026

Dear All Saints Catholic Schools Families,

Welcome to the new school year! I hope you and your family have enjoyed a restful, joyful summer filled with time to relax and create lasting memories. It is with great excitement and gratitude that I welcome you back to All Saints Catholic Schools for another year of faith, learning, and growth.

As we begin this new school year, we are reminded that each new beginning is a gift from God and an opportunity to grow in wisdom, strengthen our faith, and serve one another with kindness and compassion. Together we are partners in your child's education and faith formation.

Our dedicated faculty and staff have been working throughout the summer to prepare for a successful year. We are excited to welcome both returning and new families to our school community. We look forward to providing every student with a safe, nurturing, and challenging learning environment where they are encouraged to discover their God-given talents and strive for excellence.

This year will bring many opportunities for learning, service, prayer, and community-building. I encourage you to stay connected by reading our Cougar Chronical, checking your Skyward account, following our Facebook pages, attending school events, and partnering with us throughout the year. Your support and involvement play an invaluable role in your child's success and help strengthen our school family.

Thank you for entrusting us with the education and faith formation of your children. It is a responsibility we cherish, and we are honored to walk alongside your family on this journey.

We are excited to welcome everyone back and look forward to a wonderful school year!

May God bless you and your family.

In Christ,

Sarah Dowling-Anderson

2026-27 Athletic Forms Reminder

I wanted to send out a reminder to complete your FinalForms and Eventlink information as the fall is quickly approaching. This needs to be completed before practice starts to be ready to participate in athletics. Below you will find some key points

- *Your physical must be dated on or after April 15 2026*
- ***DO NOT** hand physicals Forms into coaches they must be uploaded to FinalForms.*
- *All Information must be completed and GREEN before you are allowed to participate in any athletic practices/contests.*

FinalForms allows you to complete and sign athletic participation forms for your students. The most exciting news is that FinalForms saves data from season-to-season and year-to-year, meaning that you will never need to enter the same information twice! FinalForms also pre-populates information wherever possible, for each of your students, saving you time.

You may review your data at any time to verify it is current. You will be required to sign your forms once per year and after any update.

Click on the Parent Playbook (included) to get started in FinalForms. If you require any support during the process, scroll to the page bottom and click "Use Support".

Eventlink provides a centralized platform to track all school sports. Key benefits include real-time notifications for schedule changes and customized calendars that prevent missed games, practices, or performance

- ***Real-Time Alerts**: Receive instant text messages or emails regarding last-minute cancellations, weather delays, or venue changes directly from the school's administration*
- ***Personalized Calendars:** Subscribe to multiple sports calendars—and compile them into one custom feed. You can also export these to external apps like Google Calendar or Apple Calendar*

We are asking that ALL parents of athletes use FinalForms and Eventlink.
